

# Read on myON!

*myON is a web-based digital literacy program which consists of an online library with over 9,000 digital books available in both English and Spanish and in all core content areas. The digital library offers a variety of content in both fiction and non-fiction selections so that students can personalize their reading interests. It generates personalized book selections based on an initial Lexile Placement Exam and Interest Inventory that promote student choice based on their interests.*
